

Performance player trials

Delgado Tennis is holding trials for potential new performance players within the club programme.
We are looking for juniors of all age levels to attend trials.

With the recent expansion of the performance programme, we have more places available for aspiring players to join the programme.

As a performance player with Delgado Tennis, your child will be taught in a smaller group. Each student will work on improving their individual technique and tactical awareness as part of the more competitive elements of tennis.

As part of a performance group, your child must be available

- To represent the club in home and away fixtures- on a rotational basis, on Friday evenings, Saturday or Sunday mornings.
- Be able to reach these venues with the help of their parents
- Attend at least 1 tournament a term outside of the club fixtures
- Be able to work tennis into their weekly routine

In return, we will offer support in the form of

- End of term reports and informal chats, keeping you posted on your child's progress.
- Attendance of a coach to your fixtures at home or away at least once a term
- Training based on not just what your child needs to improve but what is already great about their play- we want to build confidence!
- Entry into box leagues
- Invitation to matchplay sessions

Trials take place at HIGH WYCOMBE TENNIS CLUB on **April 19th 2008.**

Players aged 7-11 years 9 am to 10 am

Players 12 to 16 years 10 to 11 am.

Please book in advance if possible.
